

SCHNELLMEDIA

We're fast. We're colorful. We are loud and quiet. We love what we do and make an important contribution to our customers' success every day. We create quality and are one of the leading media and IT service providers in Europe. From Germany and our locations in Asia, we advise and support international clients in several sectors such as advertising, photography, trade and industry. **SCHNELLMEDIA** stands for know-how and future. Our passion is professional image editing as well as online and print production.

We are **SCHNELLMEDIA**, and have a lot of plans. A strong team needs strong personalities, therefore we are looking for a

3D TEAM MANAGER (MODELING/TEXTURING) (m/f/d) for our location in **Hanoi, Vietnam**

You are good and fast in creating photorealistic 3D models?

You like to lead a production team and bring them into the same position to achieve the best results for the company. Then you are the right person.

YOUR TASKS

- Development as well as technical and disciplinary management of a motivated 3D production team
- Building, developing and motivating your team in Hanoi
- Monitoring, securing and optimization of processes
- Organization and coordination between local office and German headquarter
- Active participation in the further development of our company

YOUR PROFILE

- Knowledge in photorealistic visualizations of products (focus on furniture)
- Good skills in 3D software, e.g. Blender and/or 3DsMax
- Enthusiasm for realistic and technically accurate representation of products for CGI/renderings, augmented and virtual reality (AR/VR)
- Initial management experience desirable
- Enjoy dealing with people and solution-oriented communication
- High social and communicative competence
- Structured, independent and goal-oriented working method
- Flexibility and reliability
- High level of responsibility, Assertiveness
- fluent and professional communication in English

OUR TOP 5 REASONS

1. Corporate culture characterized by cooperation and participation
2. Responsibility right from the start
3. Short decision-making processes in a growing and international company
4. Individual development opportunities
5. Team spirit and family culture

Are you ready to move and would like be a part of this success story? Then apply with your complete application documents, your earliest possible starting date and your salary expectations.

WE ARE LOOKING FORWARD TO YOUR APPLICATION.
